2017

Pnina Tornai is a globally renowned couture bridal designer, brought in to the spotlight in the U.S. as a star of TLC's highly successful show, "Say Yes To The Dress."

Pnina's passion for design was inspired by her Moroccan mother and Egyptian father, who exposed her to elaborate cultural ceremonies and celebrations from a young age.

Her love for beauty and intricate details grew into a desire to create beautiful gowns that reflected her unique heritage and, after designing her own gown for her Parisian nuptials, Pnina discovered the transformative power of a single dress and was determined to share it with other brides.

Today, Pnina is recognized as one of the world's leading couture bridal designers. Sophisticated hand embroideries, body-hugging corsets, and Swarovski crystal embellishments are hallmarks of Pnina's opulent, luxurious and ultra-feminine wedding gowns, lovingly designed to bring out the "inner princess" in every bride. Thousands of women from all over the world have travelled to meet with Pnina at her exclusive boutique inside Kleinfeld New York, including royalty, celebrities, and pop icons.

I believe that love is
a universal language.
it crosses borders and cultures.
My 2017 "Love" collection is my
unique way to share my love with all
my brides from all over the world.

Enjoy the Love...
